

LARGE FIN FLAG

DOUBLE-SIDED

Size

This template is 20% scale of full size, and must not be re-sized or scaled.

Template size: 165mm × 688mm
Unfinished (full) size: 825mm × 3440mm
Finished (full) size: 785mm × 3400mm

Shape

- Bleed line**
Artwork must extend to this line. The area inbetween this line and safe area line must only be used as a quiet area.
- Finished line**
Perimeter of the visible graphic area, after the hem and sleeve has been added.
- Safe area line**
Important content (text, logos etc.) must be kept within this line.

Layers

- Instructions.** Can be removed from your print-ready file, if desired.
- Guide.** Must only be used as an overlay, and must not contain any design elements. It should be left in your print-ready file, and will be removed prior to printing.
- Design.** Should be used to create and supply your design. Contains an empty path to use as a clipping mask.

Artwork Requirements

Artwork must be supplied:

- With any fonts outlined
- With any images embedded
- With artwork inside the bleed line (as a clipping mask)
- As either PDF (preferred), AI or EPS format

For a full list of artwork requirements, please refer to our website.
